

# Bona Natural Floor Systems

Your guide to unique floors

# Bona Natural Floor Systems

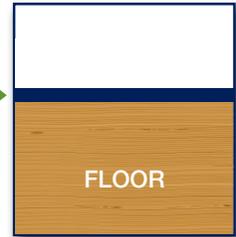

For customers that wish to maintain the natural appearance of their hardwood floors, Bona offers three different floor finish systems that have a unique feel and preserve the true natural look of hardwood floors.

## Bona Naturale®

Bona Naturale preserves the true nature of any hardwood floor, staying as close to an untreated look and feel as possible.

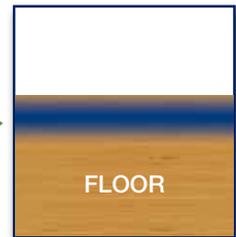

**Bona Naturale® protective layer.**

## Bona Craft Oil®

Bona Craft Oil delivers deep protection against wear, chemicals and moisture by saturating into the hardwood.

**Bona Craft Oil® saturates deep into the wood.**

Ash

Frost

Clay

Umbra

Graphite

Neutral

## Bona Naturale Oil®

Bona Naturale Oil is a unique blend of natural oils and polyurethanes providing a distinctive look and feel.

**Bona Naturale Oil® saturates into the wood and provides a wear/protective layer.**

	Bona Naturale	Bona Craft Oil	Bona Natural Oil
Chemical resistance	Best	Good	Better
Scuff & scratch resistance	Better	Best/Better Scratch resistance depends on wood species. Harder = more resistance	Good
Durability	Best	Good	Better
Repairability	Difficult	Easy	Easy
Recoat frequency	Every 1-3 years	Every 12-18 months	Every 12-18 months
GREENGUARD	GREENGUARD Certified	GREENGUARD GOLD Certified	No
VOCs	Less than 210	Less than 100	Less than 500

# Creating Beautiful Effects on Oiled Floors

Combining traditional methods with cutting-edge technology, Bona has developed an oil range that delivers unique effect treatments for hardwood floors. Create stunning 2-dimensional effects on your hardwood floor - every grain and line is highlighted, with the base wood color as a stark contrast.

## Bona Effects

**Bona Nordic Tone** helps enhance the unique character of your home with traditional Scandinavian toning treatment.

**Bona Rich Tone** brings out your floor's deepest colors and gives your home the unmistakable touch of elegance.

**Bona Grey Tone** brings out the most intense colors, while adding a greying or aged effect to create a truly unique floor.

**Bona Mix Color** is a concentrated pigment paste specifically for Bona Nordic Tone, Bona Rich Tone and Bona Grey Tone. Added to any one of these products it can intensify or change the color of the Bona Tone to create a special effect. Colors available: black, white, grey, mahogany, walnut, red, blue, green

# Keep Your Floor Beautiful

Bona is the hardwood floor care expert with over 90 years of experience developing quality hardwood floor finishing and floor care solutions. By following Bona's hardwood floor care and maintenance system you can ensure long-lasting and beautiful hardwood floors for years to come.

## Bona Professional Series Floor Care

Professional strength, non-toxic waterborne cleaner formulated for all types of hardwood floors coated with a clear, unwaxed finish. This environmentally responsible, professional strength cleaner leaves no residue and will not dull the floor's finish.

## Bona Naturale Oil Floor Cleaner

Specifically designed for cleaning any oiled floor. This cleaner contains natural oils to nourish the floor and prevent it from being dried out.

## Bona <sup>3</sup>Deep Clean System™

*Simple • Safe • Smart*

Have your floors professionally deep cleaned, to remove tough dirt and grime, with a powerful scrubbing machine and Bona's specially formulated professional hardwood floor deep clean solution.

## Bona <sup>3</sup>Recoat System™

*Remove • Rinse • Refortify*

Have your floors professionally recoated to maintain the protective layer, and extend the life and beauty.

## Bona <sup>3</sup>Sand & Finish System™

*Dustless • Durable • Dependable*

When the surface of the floor is too worn, sand hardwood floors to create a smooth surface with a Bona dust-free sanding system. Protect floors with the world's most advanced finishing systems in your preferred sheen and durability.

*Talk to your professional contractor for a complete maintenance schedule.*
